Encounters

The Christian Encounters Series highlights important lives from all ages and areas of the church. Some are familiar faces. Others are unexpected guests. But all, through their relationships, struggles, prayers, and desires, uniquely illuminate our shared experience.

These eye-catching shelftalkers are designed to introduce your customers to the **CHRISTIAN ENCOUNTERS SERIES**.

Feedback from many retailers tells us that, currently, many of the Christian Encounters Series titles are being shelved individually either by author's name or title of the book. Unfortunately, this spreads the series out through numerous shelves in the biography or history sections of your store, making it difficult for consumers to spot the series and discover new titles of interest to them. Stores who have begun racking the Christian Encounters Series together have experienced a great deal of enthusiasm from consumers and sell-through of the series. Please use these shelftalkers to group your Christian Encounters Series titles together in one location to increase exposure and drive sales.
