MORE LOST THAN FOUND

Jared Herd

“I VAGUELY REMEMBER FINDING JESUS WHEN I WAS A CHILD, BUT I VIVIDLY RECALL LOSING HIM.”

Jared Herd grew up the son of a preacher, baptized in religion before he was ever baptized in church. As a child, his parents went through a painful and public divorce, and Jesus became a distant memory, like an artifact of childhood that gets put away and forgotten.

Eventually Jared broke a promise he made to himself and walked back into church. He realized the problem wasn't God—it was how he had been told to think about God.

Like Jared, teenagers and young adults are leaving the church in astonishing numbers. Something is obviously wrong. Is the problem Jesus? Or is the problem how we have been told to think about Jesus?

In *More Lost Than Found*, Jared Herd comes alongside anyone who has ever struggled with faith to reengage them in the truth they long to hear. If you have ever felt you didn't fit at church or had questions about God, maybe it's time to give your faith another chance. God wants to find you where you are.

CLOSE ENOUGH TO HEAR GOD BREATHE

Greg Paul

DOES THE IDEA OF INTIMACY WITH GOD SEEM FARFETCHED AND IRRELEVANT TO YOUR REAL, DAILY LIFE?

Ever wonder if your own “little story” has any significance in the larger scheme of things, or why God's Word doesn't seem to speak to you?

In *Close Enough to Hear God Breathe*, readers encounter a rich message that recounts the story of a God who has been inviting all of humanity, and each individual, into his tender embrace since time began. Beautiful prose, powerful stories, and inventive teaching walk readers through this, the Bible's foremost narrative thread.

Both subtle and radical, full of common stories told in extraordinary fashion, this book weaves the experiences of the individual into the great tapestry of the biblical saga. The reader learns to hear the voice of God speaking in the ordinary events and relationships of life, as well as in the broad, deep current of Scripture.

Reading the Bible ought to be like putting one's head on God's chest. *Close Enough to Hear God Breathe* will help readers do just that. And when they do, they'll hear him whisper, “You're my child, my love, my pleasure.”
